EXPERIENCE

Ericsson India Global	**Aug 22 - May 24**
Software Engineer	**Mar 23 - May 24**

Worked for Du Dubai;
- Led and contributed on a team to construct an auto-caller app for the support team to notify them about major and critical server failures
- Developed automated self-healing scripts using python for admin-side server monitoring tools, reducing the impact on the application startup time by 12%.
- Suppressed 1.6 Million alerts piled up due to faulty scripts and pseudo configurations.

Domain Support Specialist	**Aug 22 - Mar 23**

Worked for MTNL (Uganda);
- Operated as L1/L2 support engineer in Fault Management Team for different operations
- Provided Technical software support to clients.

PROJECTS

Eatario | *React, Tailwind, GoogleOAuth, Express, PostgreSQL, Prisma ORM, Docker, Node*
A full-stack food delivery React-Tailwind app featuring a variety of burgers, pastas and pizzas is backed by an Express REST API, the data is fetched from a PostgreSQL instance running on a docker container.

What I learned Today | *React, TypeScript, GoogleOAuth, Tailwind, Express, Prisma ORM, MongoDB*
A full-stack learning tracker application built with strongly typed React-TypeScript-Tailwind, helps you store what you learned for the day on MongoDB, and also fetches historic data using Express-Prisma.

SpaceX Museum | *React, TypeScript, Tailwind, Express, GraphQL, Node*
A museum of all the historic, present and upcoming events like rockets, launches that have occurred and implemented by SpaceX, backed by the SpaceX API, Express-GraphQL helps construct backend to fetch and post data with a well crafted Client UI.

TECHNICAL SKILLS

Languages: JavaScript, TypeScript, Java, Python, C++, C#, SQL(Postgres).
Frameworks: React, Tailwind, Sass, Node.js, Material-UI, Express, GraphQL, Prisma
Developer Tools: Git, Github, Docker, Google Cloud Platform, VS Code, Visual Studio

CERTIFICATIONS

Web Development Bootcamp	*MERN Stack*	**Advanced JavaScript**	*JavaScript*
C++ Advanced Course	*C++*		

EDUCATION

B.Tech in **Electronics and Communications Engineering**	**Sep 18 - July 22**
Manipal University Jaipur	
12th	**2016 - 2018**
Kendriya Vidyalaya Sambalpur
